

Jacks - Hooves Etc Rascal

HOOVES ETC RASCAL

Rascal, 31”, had an incredible show career before retiring to stud. His championship wins include Calgary Stampede, The Westerner, Millarville and Chinook Classic.

Rascal’s dam, ENE Cactus Flower, is a petite 30” Nehemiah daughter. His sire, Rufus of Hooves Etc, is a Rosebud son who won championship after championship wherever he showed throughout his three year show career.

Rascal was sold to Gordon Kluzak of Old West Miniatures but when Gordon had his dispersal sale we thought so much of this little jack we bought him back.

Rascal passes on his exceptional confirmation and that “ Arabian” head to his offspring. He almost always produces the colour of the dam with reds, browns and even spots to his credit.

Rascal’s sons and daughters are among the top herds in Canada, the US, Ireland and Europe.
