Congratulations .. and thanks to Julie and Bruce Kirke on their purchase of Magnum and Blackberry.
at their new home

The boys sett

Hooves Etc Blackberry

Sire : Circle C Carbon
Dam: Circle C Bayberry

What a looker. He is built to drive!! Perfect personality for all the family - one of the steady types. His sire is a full brother to multi US Champion The Black Russian and Bayberry is a daughter of the famous Circle C Desperado. Blackberry's brothers have routinely gone on to show homes as the feature Stars donkey at Cookes' Rocky Mountain sales.

Hooves Etc Magnum

Sire : Circle C Carbon
Dam: Monique

Well you can tell this is a favourite. We have SO many photos of this guy it was hard to pick one. He is tiny - under 32", black - very , comes from champion stock.. but most of all he is FULL of personality. Radar loves .. REALLY loves children!! He will follow them anywhere. He also wants to be with people all the time. He enjoys a visit around the campfire or a seat on the deck. Walks with the dog are BIG on his list of things that make him happy.

This little guy is very special and needs to go to a home where he will be one of the family. He will do well in the show ring - either in hand - he is pretty much fearless - or under harness. He will be a perfect junior's donkey as he really is a babysitter.

Congratulations to Julie Felber of Cochrane on your purchase of Natalie, Tucker and Pepito.

Windy P'Assture

Sire : Hooves etc Rascal
Dam: Circle C Vanity Fair

A good looking grey gelding with a very gentle disposition. He loves to please. Pepito is a family sort of donkey... great with kids.

Windy P'Asstures Tucker

Sire : Hooves Etc Rascal
Dam : Hooves Etc Motown's Melody

A handsome grey gelding. Tucker has been shown in halter and trail classes. You'll love this boy's sunny disposition.

Hooves Etc Natalie

Born June 26, 2003

Natalie is being offered for sale to a pet only home and the purchaser will be asked to sign a non-breeding agreement.

Natalie is a very pretty light chestnut who has been shown in halter and trail. She will be a perfect companion for a lonely horse!

Went to a good home under pet restrictions
